PAUTA ACTIVIDADES: DESCRIBIR DÉCIMOS Y CENTÉSIMOS

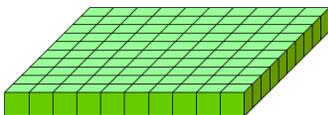

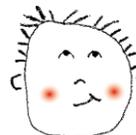

1. Observe las siguientes representaciones, luego responda:

*Representa un entero**Al dividir el entero en 10 parte una de ellas, ¡es la décima parte!*

Centésima parte

*Al volver a dividir nuevamente en 10 la décima parte, ¡obtenemos la centésima parte!*

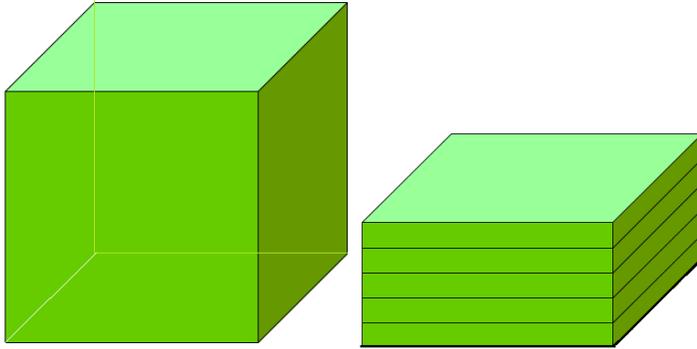

Milésima parte

*Al volver a dividir nuevamente en 10, la centésima parte, ¡obtenemos la milésima parte!*
